YMCA AFTER SCHOOL

The YMCA is the nation's largest youth development provider and we take great pride in that we do. Our purpose is to offer the best child care programs in a healthy, safe environment that fosters opportunities and experiences that will enhance a child's spiritual, physical, intellectual, social and emotional growth. Weekly schedules include: snack, homework/literacy/STEM, arts and crafts, recreation time, games, team building activities and swimming (site specific). Afternoons are from 2:00pm to 6:00pm. And sessions begin August 17th. Teacher discounts available for participating schools and financial assistance available for qualifies participants.
